

[To be published in the Gazette of India, Extraordinary, Part-II, Section 3, Sub-section (ii)]

Government of India
Ministry of Chemicals and Fertilizers
(Department of Chemicals and Petrochemicals)
Order

New Delhi, the, 2019

S.O. ----- (E). - In exercise of the powers conferred by sub-sections (1) and (2) of section 16 read with sub-section (3) of section 25 of the Bureau of Indian Standards Act, 2016 (11 of 2016), the Central Government, after consulting the Bureau of Indian Standards, is of the opinion that it is necessary or expedient so to do in the public interest, hereby makes the following Order, namely:-

1. Short title and commencement. - (1) This Order may be called the Aniline (Quality Control) Order, 2019.

(2) This Order shall come into force on the one hundred and eighty-first day from the date of its publication in the Official Gazette.

2. Compulsory use of Standard Mark. - Goods or articles specified in the column (1) of the Table below shall conform to the corresponding Indian Standard given in the column (2) of the said Table and shall bear the Standard Mark under a license from the Bureau of Indian Standards as per Scheme-I of Schedule-II of BIS (Conformity Assessment) Regulations, 2018:

Provided that nothing in this Order shall apply in relation to goods or articles, as specified in the column (1) of the said Table, meant for export, which conform to the specification required by the foreign buyer.

3. Certification and enforcement . - In respect of the goods or articles specified in the column (1) of the said Table, the Bureau of Indian Standards shall be the authority to certify and enforce conformity to the Standard Mark under this Order. In addition, District Industries Centre in the Department of Industries of the State Government shall also be the enforcing authority.

Table

| Goods or article (1) | Indian Standard (2) | Title of Indian Standard (3) |
|-------------------------|------------------------|--------------------------------------|
| Aniline | IS 2833 : 1973 | Specification for Aniline, Technical |

[F.No. C.II.13012/09/2018-Chem.II]

Samir Kumar Biswas,
Joint Secretary to the Government of India.

NOTIFICATION

The following notification is being circulated in accordance with Article 10.6

| |
|---|
| 1. Notifying Member: <u>INDIA</u> If applicable, name of local government involved (Article 3.2 and 7.2): |
| 2. Agency responsible: Government of India Name and address (including telephone and fax numbers, email and website addresses, if available) of agency or authority designated to handle comments regarding the notification shall be indicated if different from above: Shri Samir Kumar Biswas Joint Secretary Room No-341 , A Wing Department of chemicals and Petrochemicals Shastri Bhawan, New Delhi Tel. No. +91-11-23383428 Fax: +91-11-23073682 Email: samir.biswas@gov.in |
| 3. Notified under Article 2.9.2 [X], 2.10.1 [], 5.6.2 [], 5.7.1 [], other: |
| 4. Products covered (HS or CCCN where applicable, otherwise national tariff heading. ICS numbers may be provided in addition, where applicable): Aniline (HS Code 29214110); (HS: 292141 -- Aniline and its salts); (ICS: 71.080 Organic chemicals) |
| 5. Title, number of pages and language(s) of the notified document: Aniline (Quality Control) Order, 2019 (1 page(s), in English) |
| 6. Description of content: Aniline is used in dyes industry, rubber processing chemicals, herbicides etc. It is the starting material for many azo dyes. It is also used in the manufacture of other intermediates as acetanilide, acetoacetanilide, aminoazobenene, methyl aniline, diethyl aniline, dimethyl aniline etc. The BIS standard of Aniline specifies the distillation range, assay (percent by mass, minimum 99%) and maximum content of Nitrobenzene etc. So it is imperative to make the standard mandatory to protect the human health. So the locally manufactured or imported Aniline shall conform to the Indian standard (IS 2833:1973) and shall bear the standard mark under license from the Bureau of Indian Standards (BIS). Bureau of Indian Standards and District Industries Centre of the State Governments shall be the enforcing authority. |
| 7. Objective and rationale, including the nature of urgent problems where applicable: The standard of Aniline is being made mandatory to protect the human health and overall eco system.; Protection of human health or safety; Protection of the environment |
| 8. Relevant documents: Quality Control Order for making Indian Standard of Aniline- specification (IS 2833:1973), as mandatory is enclosed. |

9. Proposed date of adoption: Yet to be decided

Proposed date of entry into force: Six month from date of adoption

10. Final date for comments: 60 days from notification 60 days from the date of upload on WTO website

11. Texts available from: National enquiry point [] or address, telephone and fax numbers and email and website addresses, if available, of other body:

New Delhi, the, 2019

S.O. -----(E).- In exercise of the powers conferred by sub-sections (1) and (2) of section 16 read with sub-section 3 of section 25 of the Bureau of Indian Standards Act, 2016 (11 of 2016), the Central Government, after consulting the Bureau of Indian Standards, is of the opinion that it is necessary or expedient so to do in the public interest, hereby makes the following order, namely:-

1. Short title and commencement. – (1) This Order may be called the Acetic Acid (Quality Control) Order, 2019.

(2) This Order shall come into force on the one hundred and eighty first day from the date of its publication in the Official Gazette.

2. Compulsory use of Standard Mark.- Goods or articles specified in column (1) of the Table below shall conform to the corresponding Indian Standard given in the column (2) of the said Table and shall bear the Standard Mark under a license from the Bureau of Indian Standards as per Scheme-I of Schedule-II of BIS (Conformity Assessment) regulations, 2018:

Provided that nothing in this order shall apply in relation to goods or articles, as specified in the column (1) of the said Table, meant for export, which conform to the specification required by the foreign buyer.

3. Certification and Enforcement Authority. – In respect of the goods or articles specified in the column (1) of the said Table, the Bureau of Indian Standards shall be the authority to certify and enforce conformity to the Standard Mark under this order. In addition, District Industries Centre in the Department of Industries of the State Government shall also be the enforcing authority.

Table

| Goods or article (1) | Indian Standard (2) | Title of Indian Standard (3) |
|-------------------------|------------------------|---------------------------------|
| Acetic Acid | IS 695 : 1986 | Specification for Acetic Acid |

[F.No. C.II.13012/08/2018-Chem.II]

Samir Kumar Biswas,
Joint Secretary to the Government of India.

NOTIFICATION

The following notification is being circulated in accordance with Article 10.6

| | |
|----|---|
| 1. | Notifying Member: <u>INDIA</u> If applicable, name of local government involved (Article 3.2 and 7.2): |
| 2. | Agency responsible: Government of India Name and address (including telephone and fax numbers, email and website addresses, if available) of agency or authority designated to handle comments regarding the notification shall be indicated if different from above: Shri Samir Kumar Biswas Joint Secretary Room No-341 (A) Department of Chemicals and Petrochemicals Shastri Bhawan, New Delhi Telephone No. 23383428 Fax: 23073682 Email: samir.biswas@gov.in |
| 3. | Notified under Article 2.9.2 [X], 2.10.1 [], 5.6.2 [], 5.7.1 [], other: |
| 4. | Products covered (HS or CCCN where applicable, otherwise national tariff heading. ICS numbers may be provided in addition, where applicable): Acetic Acid (HS Code 29152100) |
| 5. | Title, number of pages and language(s) of the notified document: Acetic Acid (Quality Control) Order, 2019 (1 page), in English |
| 6. | Description of content: Acetic Acid is a common feed-stock for various industrial as well as pharmaceutical and food products including synthetic vinegar, which is a common household food ingredient. The production process of glacial acetic acid leads to presence of toxic impurities such as Arsenic and other heavy metals such as lead which are required to be restricted in terms of their presence by weight, due to their highly toxic characteristics. So the standard of Acetic Acid is being made mandatory for compliance by the manufacturers and by importers of the same into India. So the locally manufactured or imported Acetic Acid shall conform to the Indian standard (IS 695:1986) and shall bear the standard mark under license from the Bureau of Indian Standards (BIS). Bureau of Indian Standards and District Industries Centre of the State Governments shall be the enforcing authority. |
| 7. | Objective and rationale, including the nature of urgent problems where applicable: The standard of Acetic Acid is being made mandatory to protect the human health and overall eco system. |
